CAMPAIGN 5639 - Recall Campaign

**Model: Fiat Ducato with 2.0 JTD Euro 5 115 HP engine
- registration certification**

On a batch of Fiat Ducato vehicles with 2.0 JTD 115 HP Euro 5 engine, whose chassis numbers range between 2056660 and 2121764, due to the missed addition of a type-approval optional on the technical documentation, the TVV (Type Variant Version) shown on the registration certificate and on the conformity certificate might be wrong; as a consequence, the GVW is 3000 kg (wrong) instead of 2800 kg (correct).

Therefore the vehicle registration certification must be updated with new data, according the circular letter from the Italian Ministry for Infrastructures and Transport, Prot. no. 4253/4521_DIV2/M1/1 of 17th February 2012 attached (Annex 1). Customers must be contacted by the attached registered letter (Annex 2).

The costs borne for the operation will be charged on the campaign **5639** using the standard Claim Form, operation Z in A01 and mail charges must be added to cost item A10 (miscellaneous)..

Dear Customer,

We inform you that on a batch of Fiat Ducato vehicles with 2.0 JTD 115 HP Euro 5 engine, including yours, the TVV (Type Variant Version) shown on the registration certificate and on the conformity certificate might be wrong; as a consequence, the GVW is 3000 kg (wrong) instead of 2800 kg (correct).

Because this oversight may cause you some problems with the relevant Authorities, we invite you to take your vehicle back to the Dealership you bought it from or, if more convenient, to any other Fiat Dealership, referencing to this letter, for the update of the registration certificate/certificate of conformity, according to the circular letter from the Italian Ministry for Infrastructures and Transport, Prot. no. 4253/4521_DIV2/M1/1 of February 17th 2012.

The check and the possible update of the registration certificate should be made as soon as possible, free of charge for you.

For your convenience, you can book this intervention by phone, by directly contacting the Fiat Dealership you deem most convenient for you.
